Something new (new learning practices)

the INtrinsic blue (always!)

And

Something old (the cherished expertise of our dedicated educators)

Hooting into GA Pre-K!

Letter from Ms. Noori

Congratulations, our dear Pre-K parents! You all successfully made it to the first step of the formal schooling! Kudos to you all!

We take pride in having the most wonderful parents at INtrinsic. We always knew it, but during the pandemic, we have seen, felt, and witnessed your generosity, kindness, and warmth. Your love came in different forms, such as bringing food for the staff and sanitizing supplies for the school, sending supporting messages and prayers, posting children's artwork, and funding accounts. You always compliment us for doing a great job, but it would be difficult without all of you being the people you are. Thank you for helping us make INtrinsic a loving, respectful, and caring environment for your child.

Your children are our joy. We love each of them individually. They make our hearts smile and jump with joy. (Sometimes, we all jump with joy when they share what mommy and daddy were talking about, haha!). It is our immense pleasure to educate your children and prepare them for the real world. We can't wait to see to our little ones explore, learn, and apply themselves in their Pre-K classrooms. Most of these children have been with us since they were infants, so it is a very emotional time for all of us.

To our new parents, we wholeheartedly welcome you. We promise that you will love it here right away or will end-up loving the learning experiences and the educational setting :) Your children will be in very good hands. At INtrinsic there is lots of love, passion for education and giggles and laughter. Your children will be learning, having fun, and making new and lifelong friends.

There will not always be rainbows and butterflies; there will be boo-boos and tears and the anxiety of going to the school for the first time. The key is working together as parents and teachers. Please do not hesitate to talk; let us always know your questions and concerns. Always remember – I am and will always be there to assist you. The best ways to reach me is through email, school phone (678.401.8527), and text message only (678.751.3433). Please allow me some time to answer texts or emails. I work hands-on in each classroom with teachers and children.

Let's work together to create and maintain the normalcy for our young children. As parents, you are already doing a swell job! Smile, breathe, and take one day at a time.

We all are working tirelessly to enhance the overall quality of education. We have invested our time, energy, and funds on new sanitizing products, equipment, and strategies. We believe the pandemic has taught us to become the better versions of ourselves.

Thank you for being our family. Thank you for supporting INtrinsic in becoming the best of the best!

We can't wait to welcome your children on Monday, August 2, 2021!

Thank you.

Sincerely,
Ms. Noori, Ed.S

Information about GA Pre-K

Purpose of GA PRE-K

The purpose of Georgia's Pre-K Program is to provide a minimum of 180 full days (6.5 hours of instructional services per day; 1170 total hours per year) of high quality educational/instructional services to eligible four-year-old children.

What is GA Pre-K? GA Pre-k is a lottery-funded program. "Children need to be 4 years of age on September 1 of the current school year. Families also need to be Georgia residents." Since it is a lottery-funded program, the program itself is free. Parents are required to pay only for food. Food covers a.m. snack and lunch.

Teachers' Qualification: All our lead teachers must have at least a bachelor's degree.

Certification: It is not mandatory for teachers to have a certification in education. It depends on each school's policies. All our lead teachers are certified in early childhood education!

Paraprofessional: Paraprofessional must have certification. All our paraprofessionals are certified in ECE.

Ratio: Each Pre-k room has a capacity for 22 students and 2 teachers. During naptime, the ratio is 1:22. Please Note: *There has been no changes as per the ratio due to pandemic. However, the setting, teaching methods, and strategies will be adapted to split children in smaller groups.*

Daily Routine, Instruction, learning activities: INtrinsic believes in hands-on learning experiences. Teachers work as researchers and guides. The classroom is divided into various centers such as: language arts, math, science, block area, dramatic area or home living. Lessons and activities are both child-oriented and teacher guided. Children work in small groups in centers. During this time, teachers work one-on-one with children. They guide children through intermediate, immediate, direct, and indirect questions. Outdoor play and nap time are designated to 45 - 60 minutes. If your child does not like nap time, no worries. They are allowed to grab a book and have a quiet time. Sometimes, you will see teachers working one-on-one or assessing children during nap time.

Acceptable Document for Residency Requirement

The child must be a Georgia resident. For purposes of this program, Georgia resident is defined as a child who resides in the state of Georgia. **Proof of residency should be part of a child's on-site file prior to or on the first day of Pre-K.** Examples of proof of residency include the following: current lease, property tax notice, homeowner's insurance bill, mortgage statement, current vehicle registration form, letter from shelter, letter from employer if employer provides housing, any utility bill listing the residence as the service address, and current PeachCare eligibility documents for the child.

A cell phone bill or a driver's license is *not* an acceptable proof of residency. If a student's family is living with someone else, parents should provide a notarized affidavit from the property owner stating where the child's family is residing, plus a copy of the property owner's proof of residency (any items listed above). Active duty military families can support Georgia residency with a copy of official military orders verifying Georgia residency during the school year.

Certificate of Vision, Hearing, Dental, and Nutrition Screening

All children attending Georgia's Pre-K Program must have a Certificate of Vision, Hearing, Dental, and Nutrition Screening (Georgia Department of Public Health Form 3300). The vision, hearing, dental, and nutrition screenings reported on Form 3300 must have been conducted within 12 months prior to the start of the Pre-K program.

Children may register and begin attending Pre-K prior to completion of these screenings and issuance of a Form 3300 certificate. However, the Certificate of Vision, Hearing, Dental, and Nutrition Screening indicating that children have completed these screenings must be on file within 90 calendar days of the start of the Pre-K program. Any child who does not have a completed certificate within the 90-calendar day time frame may not return to the program until a certificate is provided and is on-site. If a family presents a valid appointment card for a 3300 appointment, the child can remain in the program until the date of the appointment. *Please keep Ms. Noori updated about your appointment. We understand during this time you might face some difficulty getting an appointment.*

Good to Know:

Form 3300 is intended to ensure that every child in Georgia is screened for possible problems with their vision, hearing, teeth and nutrition. If the 3300 is marked Needs Further Professional Examination, we request family to take the child to a professional for a more detailed evaluation. Parents should provide documentation indicating their follow-up efforts. Providers should maintain follow-up documentation on site (i.e., updated certificate, doctor's notes, scheduled appointments, information from parents, etc.).

Immunization Exemptions

Georgia law allows for two types of exemptions from the immunization requirements: medical and religious.

Medical exemptions are used when it is deemed medically necessary for the health of a child. A medical exemption must be marked on Form 3231. A letter from a physician, Advanced Practice Registered Nurse, or physician assistant attached to the certificate will not be accepted as a medical exemption. It must be marked on the certificate. Medical exemptions are valid for a one-year period.

Families may object to vaccinations on religious grounds by filing an affidavit noting their objection. The only affidavit that may be used to register a religious objection to required vaccinations is the Georgia Department of Public Health (DPH) Form 2208. Procedures for Student Attendance

Your child is required by the Office of School Readiness to be on time and present each day.

A student will be subject to disenrollment if he/she is excessively absent or tardy. Arriving late is a disruption to the learning process for the child who is late but also a disruption for the entire class. Please be considerate of your child's learning opportunities as well as those of the rest of the class by making sure your child arrives on time every day. Tardiness is recorded for arriving late in the morning beginning with the 1st minute after the designated start time of class.

Chronic tardiness is defined as late arrival or early departure more than once per week. 10 tardies is equal to 1 absent. Pre-k does not approve more than 10 absences.

Sick leaves and other absences: For sick leaves - please provide doctor's note. For other absences, please provide a hand-written/typed letter explaining the reason why your child was absent. Please make sure to include your child's name, date, reason, and your signature.

Chronic Attendance Issues

Chronic tardiness is defined as late arrival or early departure more than once per week. Chronic absenteeism is defined as missing more than two days per month without medical or her reasonable explanation. Chronic tardiness or absenteeism may also be defined by an established regular attendance pattern(s), e.g., if a child is late every Monday or absent every Tuesday or leaves early every Friday.

Consecutive Absenteeism

Children who do not attend class for 10 consecutive days without a medical or other reasonable explanation **will be** removed from the roster.

Good to Know:

A student whose parent or legal guardian is in military service in the armed forces of the United States or the National Guard, and such parent or legal guardian has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting, shall be granted excused absences, up to a maximum of five additional school days per school year, for days missed from school to visit with his or her parent or legal guardian prior to the parent's or legal guardian's deployment or during the parent's or legal guardian's leave. Families shall provide a written statement for the child's file to document the absence.

Student Discipline

INtrinsic believe in positive redirection and positive reinforcement when it comes to student discipline. Disciplinary actions used to correct a child's behavior, guidance techniques and any activities in which the children participate or observe shall not be detrimental to the physical or mental health of any child in Georgia's Pre-K Program.

Teachers use I messages (I feel..., I want..., I expect...,) positive way to communicate emotions and expectations) and stem and steam related language (critical thinking - what, why, how, where, who, when) to encourage children to solve problems not only during instruction time but also to reinforce positive behavior. Examples of I message: I expect you to use walking feet. Examples of stem and steam: when/where did the issue arise? Why do I need to find the solution? How can I work as a team member or how I can help my friends play or work together to make the situation different?

6. Parent conferences: Parents are required to attend 2 parent-teacher conferences.
7. Payments- Please make weekly/monthly payments on time to avoid late fees. There is \$10.00 late fee after a week. Missing three weeks payment will result in disenrollment.
8. Returned Checks – If your check is returned for any reason, a \$38 fee will be charged to your account.
9. Courteous behavior is expected from the parents and caregivers. We truly appreciate our parents, who are exemplary role models for our children and other parents. Carpooling, arrival, and dismissal times are the busiest time. We have so many parents with more than one child and sometimes dropping off the babies may take time and hold the traffic. Therefore, we request the parents to use the parking lot. However, if the parking lot is full, these parents will be using the second lane, so we humbly request parents to be patient.
10. Enjoy your child's learning experiences! This year, this time, these moments will never come back. There is no such thing as a perfect parent. Parents who do their best, who makes an effort to help their child *explore, learn, and apply* in their everyday lives are the most successful parents!
